This is the end game. We correct this fraud now or there will never be a fair election again. The Republican party needs to understand this. If they are not going to stand with us now, we will strip them of their power and privilege by never voting Republican again.

▼ Why do you still think they dont get it? They get it, theyre in on it.the two party system is an illusion for you to think you have a choice. Theyve all been promised their little fiefdoms.

▼ Problem is, plenty of them benefitted from it too, in my estimation.

▼ THIS.
They all benefit from the same fraud, graft, and corruption. Never voting R again is no threat to them. They're all the Uniparty. Besides, they have all been manufacturing whatever votes they need for decades. Either we fix this now by Constitutional means or we start removing them from their offices by... various means.

▼ I like the various means part. Can't believe it hasn't already started.

▼ It makes me sad.
All of the power is in our hands. It always has been. Yet everyone keeps looking to someone else, worst of all government for solutions

▼ We don't have to wait for the next primary to solve that problem. If they don't support Trump's efforts, RECALL THEM ALL. State by state, position by position.
